Dressage Day

My main focus of today's newsletter is our forthcoming Dressage Day on the 15th August – this will be instead of our normal rally. Have you got your entry forms in yet? Entries close on the 5th August. You can download an entry form from our website, or we will have copies available at this coming rally. If you have never competed before, this is a great way to start. We're even running a separate competition for inexperienced Grade 5, so if you are 10 yo or over, why not give it a go.

This is one of only two competitions that our club runs each year. It is a big day for us, and we want everything to run like clockwork on the day, but we can only do it with your help.

At this rally we will put up a list of volunteers needed for our forthcoming dressage day. Please pick a job and put your name down on the list. If you have any queries you can call Jenni Egglestone on 9720 4984 or me on 5964 9437. Please put your name down for something as it will save us the phone call to hassle you for help. Even if your child is not competing, please come along and help.

Below is a list of volunteers required on the day. We have about 70 families in our club, and we need around 44 helpers on the day. Most of the jobs require just a couple of hours of your time. Only the gear check people need to know what they are doing. Any of the other jobs are simple and can be learnt in five minutes, so please give it a go.

Position	People needed	Job Description
Marshalls	8	Call up riders for their allotted riding times
Pencillers	12	Sit in a car with the judge & take notes for them
Canteen	12	Prepare and serve food
Parking Control	4	Direct drivers to parking areas
Score Collector	2	One for the kids not competing - pick up scores from the judges and take to the office
Gear Check	4	Inspect each rider for gear & safety
Gear Check Penciller	2	Mark off names of competitors as they are passed for gear check

Working Bee

We are having a working bee on the 8th of August and I expect to see a big turn-out. Jobs that need doing include weeding, trimming trees, clearing rubbish, have a burn off, cleaning gutters, cleaning the clubrooms, etc. Please bring along some tools that you will need on the day. We also need to put in a bit of a fence near arenal at this rally, so some helpers on that day would really be appreciated as well - whatever we get done at this rally, is less that we have to do at the working bee.

President's Report continued ...

At the end of this rally we need to shift some portable jumps from the cross country paddock, to make way for dressage rings, so if 6 or 8 hefty helpers could spare five minutes at the end of the rally, that would be great.

Set up for the dressage day will be Saturday 14th, starting at 1.30pm – this should take about 2-3 hours. We need about 10-12 people for this job.

We just held our C Certificate camp, and it was a great success with the kids. Kerri will cover more of that in her report, but I would like to thank her for the enormous amount of work

she puts into the club. She is a fantastic DC. This overnigher was just another example of her dedication to the kids and our club.

Please, please, please check to see if you are on duty for a rally. I am sick of people not turning up for their rostered jobs, and it is always the same few people that step in to cover for those that have not turned up.

Set-up and pack-up at rally days is a bit of a hit and miss as to how many helpers turn up. Andrew & I get sick of doing it with generally very little help. If it is your child's group's turn, please make

sure you are there to help out.

Unless you have opted for the \$175 work levy, you are expected to do at least 1 canteen roster per year, 1 working bee per year and 1 set-up / pack-up on rally day per year. All helpers should make sure that their names get entered on the work-list accordingly on the day.

We have seven new members starting at the next rally – please make them feel welcome.

That's all from me

Gary

D.C Report

Hi all,

I feel I am writing these reports weekly as the months are just flying past and I am sure you all feel the same. Once again last rally was great and we did very well in the report that came from PCAV, so well done to everybody.

Have a look

Please take a look at the rally groups as I have made changes due to the new members who are starting. These groups will change yet again over the next few months as riders become ready to go to the next group, but this does not mean because you would like to go into the next group you will.

C Certificate Camp

We ran C Camp on the 9th and 10th of July (it was a very cold and frosty start at -3 degrees nearby) and well done to all that attended who put in

great work, it was a pleasure to have all of you. I hope you enjoyed yourselves and learnt a lot. The Camps are a bit of work to run and thank you so much to the people involved Sandra, John, Gary, Ria, Kate and all parents and members.

We could not run such a Camp if we didn't have the time and hard work that Marjory puts in for all of you, so a particular thank you Marjory for all you do.

On the 13th July these same C Camp members are sitting the written test at Ringwood Pony Club and I wish them all good luck. Then on the 24th July the ridden test will be conducted at Seville Pony Club, followed on the Sunday by our usual rally. A big weekend.

New Members

To our newest members who are joining at this rally, I hope you enjoy your time at the Seville Pony Club and please

call me if you need anything 5967 4552. We like to think of ourselves as a family, working together as a team and we warmly welcome you into our club.

Grading Cards

At this rally, members must have the new orange card and matching armband. The new cards have been updated with a few exceptions. We cannot update the new cards unless we also hold your blue card in the office, so please ensure you hand in the blue card if this applies to you.

Dressage Day

Dressage day is almost here and we have plenty of work to do. Please see Gary's report for full details.

Well that's all from me see you at this month's rally. Ride safely.

Cheers, Kerri Mc

Odd Spot

This is a photo of a Willy Wagtail's nest made almost entirely from pony hair. So after clipping your pony or stripping a mane, just leave the unwanted hair in a tidy pile somewhere in the garden, where other birds can make good use of it. Great recycling!

Do you wish to sew your own XC Silks? If so, please let Jenni Eggleston or the office know so we can assess overall interest in a sewing 'camp'.

A report from Tayla Deacon and Laura Wallace regarding a Pre Grade 5/Inexperienced Grade 5 Clinic held at Eltham Pony Club in the first week of these school holidays.

The girls travelled together and were pleased to be placed in the same group as each other. Marg Hinkley was their instructor for the day and she impressed upon them that it doesn't matter how high you can jump, control is most important giving them tips on position to achieve this.

Cross country for Laura was the most challenging and Tayla was the best at show jumping. Both girls completed their first dressage test competently, despite their nerves.

We were pleased to see one of our favourite instructors there, Nicky Mullens, who was happy to receive a cup of hot Milo from us.

Both days were cold but not wet and a weak sun came out on the second day. The event ran smoothly. Tayla and Laura knew a few of the other girls and enjoyed making friends with the riders in their group.

Mums and daughters are looking forward to attending more clinics.

Note from Editor: Training clinics are run regularly by PCAV and are fantastic for riders starting out or on new horses. Check the PCAV website regularly for details.

Despite the photo, we are assured Buffy enjoyed the event as much as Olivia!

The girls can be seen here at cross country and also receiving instruction. Laura below and Tayla at right.

FOR FREE LEASE

'Sharn', is a 15.2hh Arabian gelding, with a lovely nature.

He is sixteen years young, an experienced eventer & talented jumper; clearing one meter with ease.

I've had him for roughly three years, during which time I've competed him grade four PC, though he has the potential to go further.

Is a breeze to catch, shoe, float, worm; no vices, and is great on roads; with or without other horses

Not the right horse for a beginner or nervous rider.

For lease due to rider outgrown & moving on to larger horse.

To the very best of homes only.

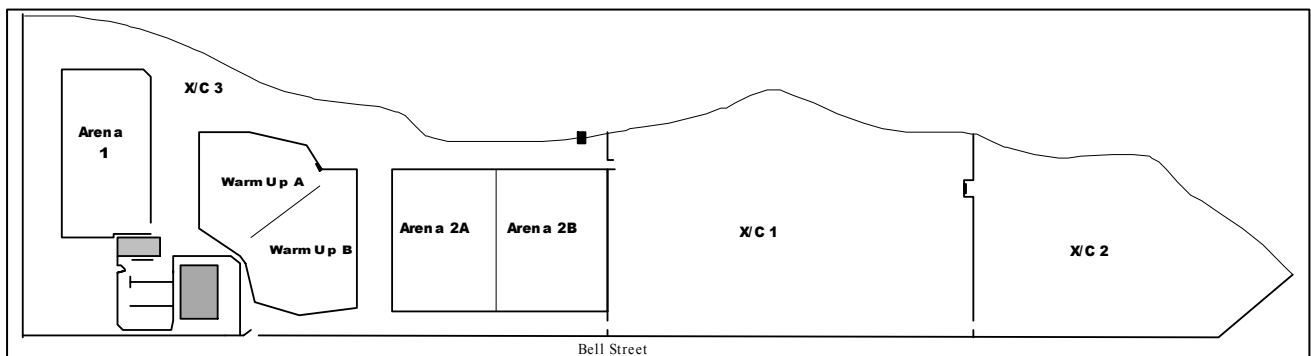

For more details, come talk to me at the rally, or call Jessica on 5964-9437.
