President's Report

Our One Day Event has been and gone for another year. Congratulations to any of our riders that placed on the day, and I hope everyone that competed had a great day.

The day seemed to run like clockwork, with only a few minor hitches along the way. It is a huge task that we undertake in running this event, and we couldn't do it without a lot of help - my thanks goes out to our members that contributed towards the event.

A special thanks to those that put in the **enormous** hours of work necessary before, during and after the event; Andrea, Andree & Andrew, Christine & Christine, Jenny, Jeremy & Jacqui, Kay, Kerri, & Kirsty, Rebecca, Ria & Sharon - (I hope I didn't leave anybody out - it's late at night, and I promised Ria I wouldn't be late with my last report).

PCAV insurance has again gone up this year, and is now \$80.00. We will confirm our own Seville Pony Club membership fees at the AGM.

Northern Metropolitan Zone of PCAV have allocated jobs for the "Yerringberg SaddleUp Horse Trials" being held on the 9th & 10th of April. There is still some confusion about our role in the event, but I think we are running the dressage event on the Sunday, plus we also need to supply two Cross Country judges for the day. If you are competing on the day, then you will need to supply a

volunteer to assist in some way - please see us at the rally for more details. There is also a working bee at Yerringberg on Saturday 2nd April that we are required to attend (we have already done one, thanks to Ria & Howard). If you missed your chance to help at our own ODE working bees, here is your chance to catch up - if you able to assist in any way, please contact me ASAP.

The "Yerringberg Teams Horse Trials" are being held about one month later, on Sunday 15th May. If you are interested in competing in a Seville Pony Club team, now is the time to let us know - we will discuss this more with you at the next rally. Again there will be more duties and working bees involved, so be prepared.

Please take note of a change to rally dates. Our April rally will be held on the 1st May, and the May rally will move to the fifth Sunday, being 29th May.

Our Annual General Meeting will be held at this coming rally at the end of the lunch break. Whilst we think we have all jobs on the committee organised, all positions are up for grabs, and all are offered by way of public ballot. If you feel you can make a contribution, and would like to get involved with the running of our club, contact anyone on the existing committee prior to the event, or simply submit your nomination on the day.

There will be at least a couple of changes to the committee after the AGM at this rally.

Kerri is stepping down and taking a break from her role as DC. I would like to thank her on behalf of the riders and parents for her huge commitment to the club over the last few years - she puts in an enormous amount of work, and has done a brilliant job.

After three years at the helm (and we didn't even sink), I am stepping down as President. I would like to thank all of our members that have contributed to the running of the club in some way in that time. I would especially like to extend a huge thank you, to the small handful of dedicated committee members, that put in so much work, and have done such an awesome job, in the running of our great club over the last three years - it's been fantastic working with you. I'm sure you will continue to do a great job in the future.

And lastly to the riders themselves - it has been an absolute pleasure to have been associated with such a polite and well mannered group of children, teenagers and young adults as you have been - thankyou. I hope you continue to enjoy your time at Seville Pony Club, and your love of horses, for many years to come.

That's all from me
Gary

D.C Report

Hi all,

What a great ODE, well done to everyone, and all members that competed, I hope you all enjoyed the day.

A huge thank you to Eliza and Bec for the great job they did at the Twilight Rally. The riders had a wonderful time.

Also to our riders who competed at State—you did a great job, better luck next time. We are so proud of you and we know how much hard work goes into getting there.

This rally Tracey Kerford will be DC for the day, due to me being overseas, help her out as much as you can please. Black Group riders, please make sure you ring if you are attending this Rally.

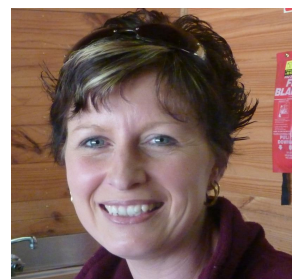

I have made changes to rally groups this month, so please look and read the newsletter and then pass it on to Mum

and Dad so they know what's going on too.

I have been looking around at Rallies and have noticed that we have not got all the parents we should. **If your child is at a Rally you must be there too. No member can be there without a parent or adult supervising that member.**

This is an absolutely clear PCAV rule, for many reasons including safety. So ensure you have someone looking out for your child—if something happens you will need to be there.

It is that time of year we are getting ready for C certificate and we have a few names, but I would like to see more. Please pop your name down at this rally as this will be your last chance for this year. Please see Tracey for full details.

This is just a short report from me as I am packing my bags to go away. I hope you all have a wonderful Rally and I will see you at the next one.

Final reminder, make sure you have a name badge for gear check. Last orders being taken this rally—see order form this newsletter.

PS: Our next Rally is on 1st of May as we are not having one in April due to Easter. Therefore we will run two rallies in May: 1st and 29th.

Cheers, Kerri Mc
