President's Report

Just a very short report this month as I am desperately trying to get organised for a trip up to the Kimberleys, and am running way behind schedule.

The PCAV State Championship Horse Trials were run recently (1st&2nd May) at Tonimbuk, and whilst there won't be any shields hanging in our clubrooms this year, our girls did a great job over the two days. Congratulations to Kasey, Mary, Naomi & Georgie - just to qualify for this event is an achievement in itself - well done.

The Yeringberg Team Horse Trials (16th May) will have been run by now. We entered four teams of four riders - I hope you did well and all had a great day.

SPC membership

As we have been warning you in the last couple of newsletters, we are taking a hard stand on membership fees this year.

SPC membership fees & PCAV insurance must be paid in full at this rally. We currently have about fifteen people on our waiting list - if your renewal form and fees are not submitted by this rally, we will assume that you are not returning, and we will put a new member in your place. If you are not going to be at this rally, you must post your payment immediately.

www.seville.ponyclubvic.org.au

Payment at the June rally will not be accepted. Please, we are very serious about this, no money now = no membership.

As we are doing C Certificate training this month, the normal rally groups will be arranged a bit differently - please check the rally plan.

We are not really getting the help we need for set-up & pack-up on Rally days. **Please check the roster on page 3 and ensure that if it is your group's turn, make sure that you actually turn up and do it.**

Speaking of which, we are doing a couple of different things at this rally, and as I won't be there, a bit of extra help during set-up and pack-up would be greatly appreciated.

I hope the Barra are biting - Gary.

Look who's on duty this month!

D.C Report

Hi all,

Well it is already May rally, and doesn't time fly when you are having fun. Please make sure you have your form and membership money for this rally because no money = no pony club. We pay PCAV all insurance fees in May so all of the PCAV cards can be reissued on time and our members can get out there and continue to safely compete.

State Champs

Well done to the girls that competed at state champs—we might not have done as well as last year but it takes time and a lot of work to get there. Your Seville Pony Club family are very proud of you and thank you for representing your Club.

C Certificate

The paper work has been sent in and the members sitting C will be on the 13th of July 2010 at Ringwood Pony Club. I will let you know times.

C Certificate Camp

Camp will be on the 9th and 10th of July at Seville Pony Club. Members will receive their invitation in the mail with all details. Please if you have not yet ordered your C book from PCAV you need to do so NOW and study hard. They are \$15 each.

D Star Certificate

Nicky Mullens will be testing at this rally so make sure if you are doing D you are ready. GOOD LUCK.

All the best

To our members that are not coming back to us we wish you all the best and please drop in and see us when you can. Thank you for being a part of the Seville team.

New members

We have some new members that will be starting in June, so please make them feel welcome and lend them a hand if needed.

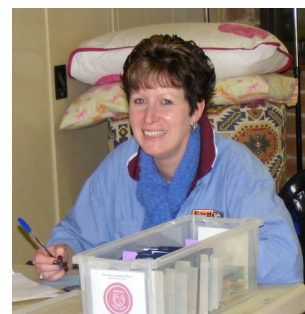

Rally Groups

Keep an eye on the group colour you are in. I am currently making changes so have a look and ensure you are in the right colour.

On a final sad note, we would like to send our deepest sympathy to all involved at Tintern on Mother's Day weekend. We take this opportunity to reflect on how things can go wrong, that safety is always first, yet even then all can be going fine and with a simple trip or fall, everything can turn very bad.

My heart goes out to the families involved and I hope all riders have a speedy recovery.

See you at May Rally.
Cheers Kerri Mc

“Elizabeth of Thorwood”

Thank you to Amanda, Anne and Christine for the lease of Elizabeth of Thorwood. We had such a great time with her and it was hard to say good bye, but we are sure we will see her out and about. Thank you again! Kerri and Maddison McLeod

Rugs for sale 5" and 5"3 winter and summer, will have them at rally.

See Kerri Mc.

Our Sympathy and Support

To the riders, families and friends associated with the very sad deaths of two beloved horses at the Tintern Horse Trials on the Mother's Day weekend, we extend our heartfelt sympathy and support.

Two unavoidable incidents occurred, through no fault of rider, horse or cross country course which resulted in the humane euthanasing of two four legged friends.

And to those riders injured in any falls, we wish them a speedy recovery. The Tintern School Event Committee handled the unexpected occurrences with dignity, understanding and great professionalism.

From all of us at the Seville Pony Club.

Members Renewal Fees Due Now!

SPC membership fees & PCAV insurance MUST be paid IN FULL at this rally.

Note, for the older riders:

If you are in Year 11 or 12 at school, or are over the age of 17, and have been a member of the Seville Pony Club for five years or more, you can now pay \$30 per rally that you attend. PCAV insurance must still also be paid. If you finish up coming more than five times (\$180), you obviously don't have to pay for any more rallies that you may attend. See Emma in office if interested.

IMPORTANT HELMET RECALL — ALL RIDERS PLEASE READ

PRODUCT RECALL DUBLIN ONYX HELMET

The manufacturer of Dublin Onyx helmets wishes to voluntarily recall all Black or White basic Dublin Onyx helmets for inspection due to a possible manufacturing fault.

The outer shell is coming away from the foam inner mould due to insufficient gluing at point of manufacture.

This problem affects only the basic Dublin Onyx Helmet in Black & White (item codes: 441218 – 441241) and does not affect Purple Onyx helmets, wick lined or leather harness versions.

The problem only affects stock made in China, not previous stock made in New Zealand. You can identify if your helmet was made in China by looking for the internal sewn in label with "Made in China" on the reverse side.

If you have purchased this item since December 1st 2009, please contact the store of purchase urgently to arrange inspection of your helmet.
